2. Membership of the Society is open to everyone: all exhibitors must be paid-up members. For confined classes the Show District is confined to the Counties of Dunbartonshire, Stirlingshire, Renfrewshire and the Parishes of Aberfoyle and Port of Menteith.
3. The whole stock competing must be bona fide, the property of Competitors, and must (except in the case of Dog Classes) have been in their possession by or on April 30th, 2023, and certificates produced if required to satisfy the Judges of their age and qualifications, in every respect according to these Regulations.
4. The Ear Numbers of prize-winning animals in the Breed Classes, Championship and Cup winners will be inspected by stewards and recorded.
5. The age of Stock is to be calculated from the first day of January of the year of produce (unless otherwise stated).
6. No cattle from a stock where any contagious diseases have existed within the last six months shall be allowed to enter the Show Grounds .
7. All animals manipulated will be excluded from competition. Soaping or adhesive matter is prohibited. The decision of the Committee, who will have the power of calling in a veterinary surgeon, will be final.
8. Animals will not be preferred for being in the highest condition, but the Judges will take into consideration the fitness of shape and figure and the fitness of those for breeding good stock, as well as their suitability of size and other qualities for the pasture of the district. The Judges will be instructed to withhold the prize if they are of the opinion that there is not sufficient merit in any of the stock exhibited for such prize to justify an award. Should the question of disqualifying a whole class arise, the Judges will consult the Show Committee, and their joint decision will be final.
9. The Show will be held in field near Drymen and judging will begin at **9.30am** unless otherwise stated.
- 10. DOGS MUST BE PROVIDED WITH COLLARS AND LEADS AND MUST NOT BE LEFT UNATTENDED.**

12. All protests, which must be made in writing, to be lodged with the Secretary not later than the conclusion of the judging of the section to which they refer, must be

accompanied by a deposit of £10.00 which will be forfeited in the event of the protest not being upheld. In all cases of dispute, the decision of the Committee will be final.

13. The Society will not be liable for any loss or damage that may occur to any person attending the Show, or to his or her property, whether a visitor, exhibitor, competitor or otherwise.
14. All competitors found infringing any of the Rules will forfeit the Prizes that may be awarded to them, whether paid or not, without any claim for the repayment of entry monies, and will be expelled from the Society.
15. Anyone using insulting language to a Judge, Member of Committee, or Official of the Society; or otherwise, in the opinion of the Committee, misconducting himself at any of the Society's Shows or Meetings will, at the option of the Committee, be liable to forfeiture of all premiums awarded to him, and if a Member, to expulsion from the Society, if not a Member, expulsion from the Show Grounds.

CONDITIONS OF ENTRY

1. NO EXHIBIT CAN BE SHOWN UNLESS MEMBERSHIP AND ENTRY MONEY HAVE BEEN PAID.

GUIDANCE NOTES AS ISSUED BY THE ANIMAL HEALTH & WELFARE DIVISION (SCOTTISH GOVERNMENT)

Any sheep moving to shows must be individually identified in accordance with current Scottish Executive guidance. Stock may be inspected at shows in order to satisfy disease control measures. The individual identification numbers should be listed on the stock movement document. This is the responsibility of the stock owner and not the show organiser. Once completed this document should be sent, by the stock owner, to the Scottish Animal Movement Unit.

Cattle moving to & from shows must have their movements notified to BCMS with herd records and passports completed to show the movement took place. It is the responsibility of the EXHIBITOR to record livestock movements and inform BCMS within 7 days of the show.

Cattle born after 1st January, 1998 must have a Defra approved eartag in each ear. The tag in each ear must have the same unique number.

Animals moving to shows for exhibition the first time will not have to be kept separate prior to moving to the show irrespective of whether any other livestock have been moved onto those premises in the 13 day period immediately before moving. If attending only one show within any one 13 day period the animal will not require to be held separate on return from the show nor will the return home trigger a 13 day stand still for any other animal on the home farm.

The Transport of Animals (Cleansing and Disinfection) (Scotland) Regulations 2005 applies to vehicles taking animals to and from a show.

All horses will need a passport to be eligible to move. Horses born on or after May 16, 2005 will require a passport by December 31 in the year of its birth or by 6 months of age, whichever is later.

All Regulations, Conditions, Guidance & Class information are correct at the time of print.
