REGULATIONS

1. The objects of the Society shall be the advancement of the agricultural capabilities of the County, the encouragement of the breeding of horses, cattle, sheep etc., the improvement of the breed thereof, and the promotion of Agricultural Science and Art, as well as kindred Arts generally.
2. Membership of the Society is open to everyone: all exhibitors must be paid-up members. For confined classes the Show District is confined to the Counties of Dunbartonshire, Stirlingshire, Renfrewshire and the Parishes of Aberfoyle and Port of Menteith.
3. The whole stock competing must be bona fide, the property of Competitors, and must (except in the case of Dog Classes) have been in their possession by or on April 30th, 2023, and certificates produced if required to satisfy the Judges of their age and qualifications, in every respect according to these Regulations.
4. The Ear Numbers of prize-winning animals in the Breed Classes, Championship and Cup winners will be inspected by stewards and recorded.
5. The age of Stock is to be calculated from the first day of January of the year of produce (unless otherwise stated).
6. No cattle from a stock where any contagious diseases have existed within the last six months shall be allowed to enter the Show Grounds .
7. All animals manipulated will be excluded from competition. Soaping or adhesive matter is prohibited. The decision of the Committee, who will have the power of calling in a veterinary surgeon, will be final.
8. Animals will not be preferred for being in the highest condition, but the Judges will take into consideration the fitness of shape and figure and the fitness of those for breeding good stock, as well as their suitability of size and other qualities for the pasture of the district. The Judges will be instructed to withhold the prize if they are of the opinion that there is not sufficient merit in any of the stock exhibited for such prize to justify an award. Should the question of disqualifying a whole class arise, the Judges will consult the Show Committee, and their joint decision will be final.
9. The Show will be held in field near Drymen and judging will begin at **9.30am** unless otherwise stated.
10. **DOGS MUST BE PROVIDED WITH COLLARS AND LEADS AND MUST NOT BE LEFT UNATTENDED.**
11. **All stock exhibited must remain in the Show Ground until after the Parade, or such later hours as may be fixed by the Committee. All prize-winning animals are required to take part in the Parade, under forfeiture of the prize money.**
12. All protests, which must be made in writing, to be lodged with the Secretary not later than the conclusion of the judging of the section to which they refer, must be

accompanied by a deposit of £10.00 which will be forfeited in the event of the protest not being upheld. In all cases of dispute, the decision of the Committee will be final.

13. The Society will not be liable for any loss or damage that may occur to any person attending the Show, or to his or her property, whether a visitor, exhibitor, competitor or otherwise.
14. All competitors found infringing any of the Rules will forfeit the Prizes that may be awarded to them, whether paid or not, without any claim for the repayment of entry monies, and will be expelled from the Society.
15. Anyone using insulting language to a Judge, Member of Committee, or Official of the Society; or otherwise, in the opinion of the Committee, misconducting himself at any of the Society's Shows or Meetings will, at the option of the Committee, be liable to forfeiture of all premiums awarded to him, and if a Member, to expulsion from the Society, if not a Member, expulsion from the Show Grounds.
16. The premiums will be paid by the Treasurer on the day of the Show. Should any of the animals gaining prizes be disqualified, the prizes will go to the next in order of merit. **Prize money must be collected before 3:00pm.**

BONA FIDE AND ATTESTED STOCK

CONDITIONS OF ENTRY

1. NO EXHIBIT CAN BE SHOWN UNLESS MEMBERSHIP AND ENTRY MONEY HAVE BEEN PAID.
2. Late entries will be accepted up until 8:45am on the day of the show, although in order to allow issuing of entry passes in advance of the show and so not to delay judging on the morning of the show advance entries are always appreciated.
3. Substitution will be permitted in the same class by another of the same sex.
4. Where applicable, please state whether animals are from IBR-MN herds or MAEDI/VISNA (sheep) so pens can be allocated as appropriate. Herd number must be stated for Breed Classes and must be included in the entry form. **(THIS WILL BE CHECKED).**
5. All animals attending the Show must have with them the relevant documents. It is the responsibility of cattle owners to ensure passports are stamped accordingly.

6. No cattle or horses will be allowed in a judging ring without appropriate numbers. It would be appreciated if handlers wore white coats.
7. All stock carrying vehicles (including trailers) must display the appropriate pass and must be parked as directed by stewards.
8. All trophies are perpetual, unless otherwise stated. They remain the property of the Society and should be returned before the next year's Show.

GUIDANCE NOTES AS ISSUED BY THE ANIMAL HEALTH & WELFARE DIVISION (SCOTTISH GOVERNMENT)

Any sheep moving to shows must be individually identified in accordance with current Scottish Executive guidance. Stock may be inspected at shows in order to satisfy disease control measures. The individual identification numbers should be listed on the stock movement document. This is the responsibility of the stock owner and not the show organiser. Once completed this document should be sent, by the stock owner, to the Scottish Animal Movement Unit.

Cattle moving to & from shows must have their movements notified to BCMS with herd records and passports completed to show the movement took place. It is the responsibility of the EXHIBITOR to record livestock movements and inform BCMS within 7 days of the show.

Cattle born after 1st January, 1998 must have a Defra approved eartag in each ear. The tag in each ear must have the same unique number.

Animals moving to shows for exhibition the first time will not have to be kept separate prior to moving to the show irrespective of whether any other livestock have been moved onto those premises in the 13 day period immediately before moving. If attending only one show within any one 13 day period the animal will not require to be held separate on return from the show nor will the return home trigger a 13 day stand still for any other animal on the home farm.

The Transport of Animals (Cleansing and Disinfection) (Scotland) Regulations 2005 applies to vehicles taking animals to and from a show.

All horses will need a passport to be eligible to move. Horses born on or after May 16, 2005 will require a passport by December 31 in the year of its birth or by 6 months of age, whichever is later.

All Regulations, Conditions, Guidance & Class information are correct at the time of print.
